

WHITEHALL  
Professional Property Management®

To whom it may concern,

As General Manager for Whitehall Professional Property Management, it has been my pleasure and privilege to work with Island Pressure Cleaning Inc. The quality of their work is unsurpassed, which is why we have used them exclusively for the past 15 years.

Having over 50 clients a year depending Whitehall to have their homes pressure cleaned Wayne, Cliff and Sharon have never let us down.

Their willingness to accommodate our clients' schedules and ability to adapt to a fast paced, ever changing environment has made them an invaluable asset to this company.

Their technical knowledge, level of supervision and pride in their work make Wayne and Cliff true professionals and leaders in their field.

I highly recommend their services!

Sincerely,

Bob Tutton
